training solutions

Ideal for complete beginners, this course focuses on how to achieve the perfect lash shape using the ancient art of eyebrow Threading. Students will be shown and learn how to create the perfect shape brow to suit the individual clients face shape and brow design. The course is a very hands on experience to build confidence plus plenty of advice on how to turn your new skills into a profitable business.

What will the course cover:

- Salon hygiene, sanitisation / health & safety
- Client consultation, contra-indications and client care
- Face shapes and how to define the brows to best suit the client
- History of Threading
- Threading treatment procedure
- Troubleshooting, promotion and marketing

What do I need to know before I start the course?

Students are required to work on each for the duration of the course, for this reason it is a prerequisite that all students grow their body hair for practice of Threading before moving to the brow area. It is also recommended that students wear minimal eye make-up.

Will I need to bring any materials?

No, all materials will be provided on the day all students will receive a workbook to reinforce learning, along with products to use for the duration of the course.

Is there any study or practice to do at home?

Students speed, accuracy and confidence will improve over time - with regular practice to perfect the skills taught on the day.

Is the course accredited?

A certificate of attendance will be awarded to successful students who achieve the required level of proficiency. Public liability insurance can be obtained through Professional Beauty Direct, ABT (Association of Beauty Therapists) and the Guild of Professional Beauty Therapists. This course is also approved by Habia.
