

Brow Lamination, Lash Lift and Tint Masterclass

£175
+ VAT

Course Length: 1 Day

Course Time: 10am-4pm

Course brief:

This masterclass will give the knowledge to offer a unique eye treatment package to your clients. Using popular, leading professional brands Lash FX and Hi Brow, this course will teach you everything needed to carry out a brow lamination with tint and a lash lift with tint. These highly profitable treatments will boost business with amazing results every time, together with boosting profits upselling retail products to clients.

Skill Level:

Students must hold a qualification in hairdressing, NVQ/VRQ 2 in Beauty, or qualification and experience in brow tinting and shaping.

Course Overview:

- Health & safety in relation to working around the eye area
- Anatomy & physiology, product knowledge and contra-indications to treatments
- Theory of Hi Brow Lamination & Lashfx Lash Lift
- How to carry out lash and brow consultations
- Lash types, curls, thicknesses and lengths
- Techniques required to correctly lift and secure brows for treatment
- Aftercare advice and record keeping

Important Info:

Students must be 18+ and must bring a model. Models must arrive by 10.45am for the Brow Lamination and tint and then must be available for 1.30pm for the Lash Lift and tint. Models (18+) must have a patch test at least 48 hours before treatment. The QIC Tint for brows and the Lash FX Tint for the patch testing can be purchased in-store or on our website. Models must not be wearing eyelash extensions. Those with highly sensitive skin who are prone to allergic reactions/required to carry an epipen may not be suitable to model.

Equipment Needed For In Store Practical:

All products will be provided for you to use on the course.
